## WORK EXPERIENCE

- InternshipSep 2024 - present
- Web Development Intern — **Hindustan Aeronautics Ltd** June 2024 - July 2024 During my internship at Hindustan Aeronautics Ltd, I developed an **online email sender webpage**, enhancing my skills in web development and user interface design. This project involved utilizing HTML, CSS, and JavaScript to create a functional and intuitive email application.
  - Web Development Intern — **Cipherbyte Technologies** August 2024-September 2024 At Cipherbyte Technologies, I contributed to the development of a comprehensive **360 event planner webpage**. This role involved implementing features for event creation, guest management, and scheduling, using technologies such as React and Node.js to build a user-friendly and efficient platform.
  - Web Development Intern — **Techoctanet Pvt Services Ltd** August 2024-September 2024 During my internship at Techoctanet Pvt Services Ltd, I created a **dynamic landing page and a functional to-do list webpage**. These projects allowed me to gain hands-on experience in front-end development and responsive design, utilizing modern web technologies to deliver effective and engaging user experiences.
